Step 3: Determine the correct package to purchase out of the 3 options

Step 4: Ordering the Packages

Once you have chosen the correct package to purchase, you will need to choose sizes for all of the products in the package. Lexington Youth will provide you with the number that will be on your player's jersey. The numbers will be announced by the club.

Step 5: Additional Items

After purchase of the mandatory player package that suits your Participant, you may choose other items from the "Supplemental Items" category in the store. If you would like to purchase additional mandatory items, you will find them in this section as well.
