

## **Severe Weather Policy**

*Lexington Sporting Club uses the Perry Weather System.*

- A siren will sound when lightning is within 8 miles of the facility. This siren is automated via Perry Weather and its radar system.
- Upon hearing the siren, all players, coaches, and bystanders must report to their cars.
- Lexington Sporting Club's management team will also notify families via PlayMetrics and/or the PA system utilized by Perry Weather.
- There will be a 30-minute delay from the last lightning strike before the "all clear" signal is given.
- All updates will be sent via PlayMetrics and/or the Perry Weather system PA system.
- Once the "all clear" is given, the fields are open for use.

## **Medical**

- All major sporting events at our complex are staffed by athletic trainers.
- The AEDs will be with our athletic trainer on duty and two designated spots available to staff, coaches, and team staff/Game Day Managers.
  - Found at the Main Gate of Fields 2 & 3
  - Found at the Main Gate of Fields 4 & 5
- During training, if a player is injured, the coach may notify our athletic training staff via radio.
  - Each field has its own radio.
